As I stated in the reminder a few weeks ago, our annual registration fees and paperwork are due December 6. Please bring fees and this form to a meeting or get it to Doug Vail 2993 Somerton Rd.

Look online for our December campout permission form. Scouts need to attend in December or January to be eligible to go on the Klondike (unless there is a really good reason they can't come). Winter camping can be fun if you are prepared and have the right gear. Be forewarned that the January downhill skiing trip can get costly, even though we have a good discount with cockaigne ski resort, the trip will still cost around \$60 or so with ski rental and lift tickets, camping fees, food, and fuel.

Yours in Scouting,

DUE BY DECEMBER 6th. DON'T CREATE WORK FOR A VOLUNTEER BY BEING LATE.

For driving purposes we need this info on file. Please edit in the line below your info.
