INFORMATION REGARDING THIS TRIP: We will be practicing Klondike skills in the morning. In the afternoon we will go sledding. If there is no snow for sledding then we will go to the toboggan chute in the metroparks (thus the need for \$8)

Scouts who were not able to attend the December outing should make sure to attend this campout to be eligible for attendance at Klondike (unless there is a **really** good reason). If you are a first or second year Scout you should have your patrol leader check your gear before camp to make sure you have the proper equipment. It is essential to try out different arrangements of clothing to see what kind of layering is possible. It is essential to have at least two changes of first layer clothing (the one next to your body).

EMERGENCY CONTACT: Bob Daley 440-537-2103

SIGN AND RETURN TO PATROL LEADER BEFORE THE JAN 4th meeting!!!!
