MARK ALL EQUIPMENT WITH NAME AND TROOP NUMBER !

SPECIAL INFORMATION REGARDING THIS OUTING: This is a family camping trip. We can modify the plan based on who is attending, but the concept is to camp at East Harbor State Park on Friday night, go to the ferry with our bicycles on a trailer (since it costs much less to take a vehicle with all bikes then individual bikes). Once across we have a bicycle scavenger hunt planned ending in a swim either at the beach on the island or back at East Harbor. Cook dinner on the island or back at the campsite. Return home Sunday. All participants will have to provide or arrange for tentage, stoves, eating gear etc, if not eating or sleeping as part of a patrol. Many of these decisions will be made at the July 25 meeting.
