INFORMATION REGARDING THIS TRIP: We will camp at a very old Scout Camp just north of Toledo, leave Saturday morning for "The Fridge" - a refrigerated toboggan run outside of Detroit and return to camp in the afternoon.

Scouts who were not able to attend the December outing should make sure to attend this campout to be eligible for attendance at Klondike (unless there is a **really** good reason). If you are a first or second year Scout you should have your patrol leader check your gear before camp to make sure you have the proper equipment. It is essential to try out different arrangements of clothing to see what kind of layering is possible. It is essential to have at least two changes of first layer clothing (the one next to your body).

EMERGENCY CONTACT: Mary Cushing 371-2438

## **SIGN AND RETURN TO PATROL LEADER BEFORE THE JAN 3<sup>rd</sup> meeting!!!!**
