Time allotted

< What is the objective of the activity you will lead? (Example: If teaching or practicing a skill, list exactly what you want the Scouts to know by the end of your session. [Every learner will know how to tie the bowline."])

< Outline what you have planned to do. Start with an introduction which will inform the Scouts know what you want them to do or know. Continue with the steps that you will take to meet your objective. If your activity is outside prepare an alternative plan on the back of this sheet.

< What site do you need? (size? noise issues? lighting? soft or hard "floor"?)

< What equipment, supplies, preparation time, or human assistance do you need to successfully lead this activity?

< What skills, knowledge, or equipment do the participants need to have before the activity?

ARE YOU READY TO LEAD THIS ACTIVITY?
