### Joseph E. Quandt

Joseph Quandt was born in 1992 in Cleveland Heights.

He attended Cleveland Heights High School where he was very active in the Instrumental Music Department, participating in the Jazz Ensemble, Jazz Combo, Symphonic Winds, Marching Band, and the award winning saxophone chamber ensembles Latin Soul Funk Style and Grace and the Graham Crackers.

At Heights he was also a member of the swim team, competed on Academic Challenge and wrote for the *Black and Gold* newspaper. In his junior year he moved to Solon, Ohio, and participated in the Marching Band, Jazz Band, and Book Club at his new school, and for his senior year he attended Cleveland State University through the PSEO program. He recently graduated from Solon High School with an Honors Diploma and AP Scholar with Distinction. He has won several private college scholarships, including one from the prestigious Phi Beta Kappa society. He will attend Cornell University in the fall, where he plans to major in Urban and Regional Studies.

Outside of Boy Scouts and school, Joe has been active in other music groups like the Settlement Jazz Orchestra and Contemporary Youth Orchestra. He enjoys spending his free time reading, playing guitar, and being bored with his friends. He worked as an intern for Ohio City Near West Development Corp. in the summer of 2010. He hopes his Eagle Scout status will give him a competitive advantage as he now searches for a summer job.

Joe began Scouting in Cub Scout Pack 36 and crossed over to Troop 22 in May 2004, joining the Flaming Ice Cubes patrol. His first campout was summer camp in North Carolina. He later served as Assistant Patrol Leader for the Crusader patrol, Patrol Leader for the Rockets, before assuming the position of Senior Patrol Leader in his final year. As SPL, he founded a boy-run troop newsletter, producing three issues. Naturally, he enjoys camping with the troop, and is a few nights away from earning the 150/50 award. His favorite trips include touring in Toronto, two Dorchester camporees, and a high adventure in the White Mountains of New Hampshire. His eagle project involved historical photo scanning and archiving for the CH-UH public library. He would like to thank his fellow Scouts and adult leaders for seven memorable years.
